

FULL-TIME RESEARCH AND TEACHING ASSISTANT INTERIM POSITION

IN COMPUTER SCIENCES

FACULTY OF SCIENCES

Reference : 2019/F

Application deadline:01/06/2019

Start date : 01/10/2019

Job Description

This teaching assistant position requires you to, on one hand, supervise of exercise sessions and practical works (240h per year) for courses in the Bachelor and Master programs in Computer Science and/or Computer Science courses in the Master program on Bioinformatics and Modelling. On the other hand, you will have the opportunity to establish research activities in one of the research fields of the Computer Science Department. The applicant is required to perform high-quality research under the supervision of one of the professor of the Department in order to obtain the degree of PhD. Before applying you should establish a research agreement with one of the professors (see <http://www.ulb.ac.be/facs/sciences/info>).

Required Qualifications

A 120-credit Master degree in Computer Sciences, and satisfy entry requirements for the PhD.

Skills required

- High quality scientific skills in Computer Science or related field.
- Good pedagogical skills.
- Good social skill to ensure good integrations with the teaching teams.
- Punctual and trustworthiness in the execution of logistic skills.
- Excellent knowledge French and a good level of English.

Courses covered

Exercises and personal works for different computer science courses organized in the Bachelor and Master programs in Computer Science and/or the Computer Science courses of the Master program in Bioinformatics and Modelling.

Interested ?

For more information, please contact Professor Tom Lenaerts, President of the Computer Science Department (phone: +32 2 650 60 04 – fax : +32 2 650 56 09 – email : Tom.Lenaerts@ulb.ac.be)

Applications must be sent by e-mail to Tom Lenaerts (Tom.lenaerts@ulb.ac.be) and to the faculty (agerlach@ulb.ac.be).

They must include the following :

- a motivation letter
- a Curriculum vitae including a list of publications (a template can be downloaded at <http://www.ulb.ac.be/tools/CV-type.rtf>)
- a note on the applicant's PhD research project (4 pages)
- two letters of reference

By sending in their application, applicants acknowledge they have read and understood the additional information and the regulations relevant to research staff, available at the following address <http://www.ulb.ac.be/emploi/academique.html>.
