Master in Political Sciences : General (60 credits)
Option JOUR

The day-time program fully taught in English offers:

▷ The choice between two tracks: international relations, and EU affairs, politics & government.
▷ A solid training in methods to support the writing of your Final Dissertation (FD).

Students admitted in the program who do not hold a bachelor’s in political science (or equivalent) can be given an additional program. The courses in this additional program are courses from the bachelor’s in political science. Some might be taught in French. Students are informed of these admission requirements before registration.
